Verse

1: You hear me when I call You are my morning song
Through darkness fills the night It can not hide the light
Whom shall I fear, 2: You crush the enemy
Underneath my feet. You are my sword and shield
Though trouble lingers still whom shall I fear
I know who goes before me I know who stands
behind. The God of angel armies Is
al-ways by my side. The One who reigns forever
He is a Friend and
